NURTURING EARTH

NURTURING EARTH

“ The Concept of Nurturing Earth consists of thoughtfully weaved Sustainable pet beds with different Global Trends like Heimtex and WGSN etc. Deriving stories like Natural Solutions , Terra Forms , Naturally Uneven Green and Revival Mud. The main emphasis of the story is use of natural materials like cotton , jute , hemp , R-Pet along with recycled contents and contributing to lower carbon foot prints which are less harmful to the environment throughout their lifestyle as well as reducing waste and supporting the circular economy . ”

SAFARI

SAFARI

“ The Concept of the theme Safari gets connected from the concept of Repairable greens and Syntrophic Forest from the design trend of Heimtex which involves blending nature conservation , ecological restoration and sustainable forestry practices. The main emphasis of this theme are interpretation of a unique, eco conscious line of pet products designed with natural materials like cotton cord , cotton canvas, recyclable suede, textures and patterns inspired from camouflage, landscapes etc. Also locally sourced fabrics like cotton canvas, natural wool etc are being used that supports syntrophic agriculture , Thus creating a unique combination of sustainability , supporting ecological regeneration and educating consumers for a better lifestyle of pets . ”

SUNNY & CHEERY

SUNNY & CHEERY

“” The Concept of the theme Sunny & Cheery consists of a seamless connection of diverse trends to derive a story from themes like Hot House and Autarchic Orange . The main emphasis of the story use of bright , bold color palette that aligns well with a sunny and cheery vibe with warm yellows , vibrant oranges soft pastels that makes the Pet and Pet Parent feel uplifted along with different materials and textures that could focus subject which conveys optimism such as soft , airy fabrics along with accent of pop of neon surfaces . Thus the theme ties into a sense of resilience and wellbeing ideas that can be reflected in fashion , home , pets promoting happiness , positivity and energetic outlook. ”

COLLECTION

NURTURING EARTH

Inspired by nature's essence, our Nurturing Earth pet jacket collection blends sustainability with style, offering warmth and comfort while being kind to the planet. Crafted from durable cotton canvas and smooth taffeta, these jackets provide a perfect balance of breath ability, protection, and softness for your pets. The color palette is drawn from the earth's natural beauty—soothing terracotta, olive green, sand beige, and deep ocean blues—reflecting landscapes that inspire harmony and sustainability. Designed for durability and timeless appeal, this collection embraces eco-conscious living without compromising on quality or aesthetics. Wrap your pets in the warmth of nature, where comfort meets responsibility.

Jackets SAFARI C O L L E C T I O N

Adventure-Ready Pet Jacket Collection Inspired by the raw beauty of the dunes, our Desert Safari pet jacket collection is crafted for little explorers who embrace the wild. Made from durable cotton canvas and lightweight taffeta, these jackets offer both comfort and protection, ensuring your pets stay cozy on every adventure. The colour palette is drawn from the heart of the desert—deep browns, warm sand tones, and sun-kissed ochres—capturing the essence of safari landscapes. Embellished with safari-inspired stickers featuring desert wildlife, adventure badges, and vintage travel motifs, each jacket tells a story of exploration and resilience. Let your pet roam in style, inspired by the spirit of the desert.
